

## REACH Compliance

### **REGULATION (EC) No 1907/2006 OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL of 18 December 2006**

**concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH).**

Schneeberger AG Lineartechnik, according to the REACH regulation, behaves as an industrial consumer and acts within the supply chain as a downstream user. Further, Schneeberger AG Lineartechnik is assembling supplied products, neither changing nor producing new chemicals as specified in the REACH regulation incl. the SVHC according to the list: <https://www.echa.europa.eu/candidate-list-table>.

Our suppliers are committed to provide needed information regarding supplied products. As such each supplier has to confirm the REACH conformance of delivered products. As we are concerned with the total engineering of products, we maintain conformity of above regulation.

Therefore, Schneeberger AG Lineartechnik can confirm that our products contain no prohibited substances according to the regulation above. If products contain prohibited substances, the customer will be informed about such substances.
